## **Unincorporated Morongo Basin Area Traffic Improvements Approved**

The unincorporated areas around Yucca Valley and in Joshua Tree will benefit from \$2 million in improvements for road maintenance included in the FY 2007-2008 budget recently approved by the San Bernardino County Board of Supervisors.

These expenditures represent revenue from a variety of sources including Measure I, State Gasoline Taxes, and funds from Proposition 1B.

“Next year over \$20 million will be spent throughout the Third District making our roads safer,” said Supervisor Hansberger. “We need far more money to get our roads and highways in the condition that I want them to be in, so if you ask ‘Is this enough?’ – my answer is ‘no, but this is certainly a start,’” he said.

“From routine maintenance to complete rehabilitation of some of the worst roads, this is a good start toward relieving the traffic problems our residents in the Morongo Basin face every day,” said Hansberger.
